

19회, 굿 닥터(Good Doctor)

◆ 표현(Expression) 1

빨리 안 하고 뭐하고 있어?
Why aren't you getting it done quickly?

This expression is used in the drama to press the main character to start the surgery immediately in a situation where the patient's life is on the line. '빨리 안 하고 뭐하고 있어?' is used to reprimand a counterpart for taking action when something needs to be done immediately, and push him/her to take action.

빨리	안	하고	뭐하고	있어?

◆ 표현(Expression) 2

5분 남았어. 빨리 서둘러.
We have five minutes. Hurry up.

This expression is used in the drama to press the main character to start the surgery immediately in a situation where the patient's life is on the line. '5분 남았어', '빨리 서둘러.' is used to provide information that not much time is left and for the counterpart to act in a quick or speedy manner.

5분	남았어.	빨리	서둘러.
obun	namasseo	ppalli	seodulleo

◆ 표현(Expression) 3

너 자신을 더 믿어.
Have faith in yourself.

This expression is used to encourage a counterpart, who is tackling a challenging task and worried that he/she will not be able to complete it and afraid of messing up, to have faith in his/her abilities and act with confidence.

너	자신을	더	믿어.
